Jonesboro High School PTO!  
2015/2016

Welcome to the Academies at Jonesboro High School!  
The mission of the JHS Parent Teacher Organization is to support the programs, events, and activities of the Academies at JHS, and foster communication between teachers, staff and parents.

PTO has many ways for you to participate in your student's high school experience. We provide and serve meals to show appreciation to our dedicated JHS staff, help chaperone dances, assist in the office, facilitate special projects on campus, and offer other support as needed. We also send out e-newsletters throughout the year, keeping you up to date on events.

We do not charge dues to participate in our parent group. However, donations are always appreciated! With your donations of time and money, we are able to provide our teachers, students, and staff with "extras" that make JHS a great place to teach and learn.

We hope you will consider joining the effort this year by volunteering and/or making a monetary donation. If at this time you are unable to donate your time or money, please fill out the form and return so we may add you to our email list to receive the latest JHS information and future volunteer opportunities.

We thank you for your consideration and look forward to a great year!
